

stb::Loggable

```
graph BT; A[stb::Loggable_Exception] --> B[stb::Loggable];
```

A UML class diagram illustrating inheritance. At the bottom is a gray-shaded box labeled 'stb::Loggable\_Exception'. A blue arrow points vertically upwards from this box to a white box labeled 'stb::Loggable' at the top. The arrow indicates that 'stb::Loggable\_Exception' inherits from 'stb::Loggable'.

stb::Loggable\_Exception
